

Notice

Date:
21/08/2017

To: All Students of Civil Engineering

Gaining Knowledge Is the First Step to Wisdom, Sharing is the First Step to Humanity. Providing you with one such platform to share, express and exhibit your imagination and knowledge about the Technical Advancement in the field of Civil Engineering and its Applications,

E-Maarat IS BACK!

All the students of Civil Engineering are hereby informed that the editorial committee has invited articles to be published in the 2nd Edition of “E-Maarat” E-Magazine in Academic Year 2017-18. It's time to put your technical prowess into words. Theme for this edition is “Transition From Old To New”.

Articles from all the stakeholders (Students, Parents, Industry Experts, Teachers and Alumni) of the department are welcome. Articles, technical papers, pictures, interviews etc revolving around the theme must contain minimum 800 words, which can be mailed to

concretetcet@gmail.com on or before 30th August 2017.

Kindly make a note of the same.

For any query contact following members.
