- A 2 day conclave was conducted by Mr.Shubham Maheshwari, Mr.Raj Desai and Mr.DInesh Gowda on 23rd and 24th February, 2018. 24 students attended the conclave
- This conclave was conducted to introduce students to development frameworks.
- As a result of this conclave, students gained hands-on experience of the Laravel and Hadoop platforms

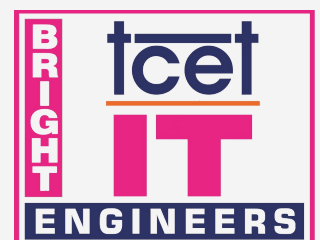

ACTIVITIES CONDUCTED BY ACM-TCET

SEMINAR ON SOFTWARE DEFINED NETWORKING

- A seminar was conducted for students of second and third year by Prof. Deven Shah on February 2nd, 2018. This seminar was attended by 31 students.
- The objective of the seminar was to familiarize students with the concept of software defined networks
- The seminar resulted in students becoming aware about SDN and getting exposure to yet another IT Domain

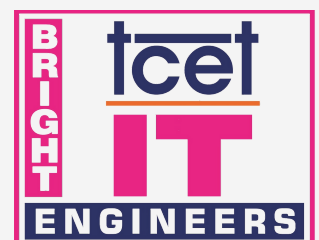

ACTIVITIES CONDUCTED BY ACM-TCET

TECHNICAL DEBATE ON DATA SECURITY IN CLOUD COMPUTING

- A debate competition was conducted by ACM TCET for students on February 9, 2018. 12 Students participated in this activity.
- With the rapid rise of cloud computing, the debate aimed at making students aware of its pros and cons.
- Over the course of this debate, fresh ideas about data security were put forth by students.

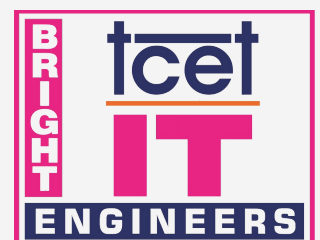

ACTIVITIES CONDUCTED BY ACM-TCET

TECHNICAL QUIZ COMPETITION

- The IT Department and ACM-TCET together conducted a department wide technical quiz competition for second and third year students on March 9, 2018. 28 students participated in this competition.
- The aim of this activity was to hone the students' technical skills and provide a competitive environment.

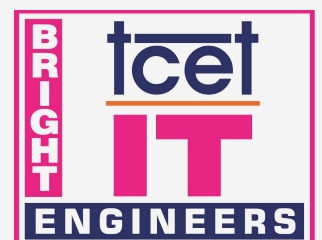

ACTIVITIES CONDUCTED BY ACM-TCET

CODECHEF SEMINAR

- A seminar on Competitive Coding was conducted by Mr. Anup Kalbalia of Directi on March 23, 2018. A total of 32 students attended this seminar.
- The seminar helped introduce students to the concept of competitive coding and its use in building a career in the IT field.

INDUSTRIAL VISIT

An Industrial Visit for students of 2nd and 3rd year IT undergraduates was conducted by the ACM TCET to enable students to directly communicate with industry persons and understand the implementation and applications of the subjects that they study in their curriculum. The Industrial Visit lasted for 8 days, starting from January 3rd till January 11th, 2018. Over the course of this excursion, students visited the cities of Amritsar, Chandigarh and Delhi. At Amritsar, the industry visited was “Hansa Blanket Manufacturing” and at Delhi, “Software Technology Park India”. The experience was enriching for all students as everyone got to learn new things about the domain of Information Technology and its use in industry.
